The Venue Menu is a dynamic digital publication that is distributed bi-annually to executive decision-makers & event organisers at blue-chip companies, travel agents and a large private database. You will be reaching your desired target market effectively. You further benefit by getting two digital mailshots per year. Your venue's listing in the Venue Menu is also hosted on our website for one-two years. All pages include meta-links to your website. We have been helping our valued clients for over 10 years. Subscribe and start benefitting now.
